

Congrats to Actimax for Ten Years

ACTIMAX marked its 10th anniversary with a celebration dinner at the Chiquito Mexican cuisine restaurant – close to the Actimax HQ in Basildon – for almost 50 staff and representatives of clients, followed by a 10-pin bowling evening. The big surprise was for IT Director Marc Good who was literally bowled over. He has been with Actimax since its birth in 1997 and was rewarded for his loyalty with Virgin vouchers that offer the choice of a performance car track day, theatre trips and family days out at theme parks. Good said: “It was a proud moment to have my contribution recognised. I started with Actimax in the early days and we have grown together. We have always been so busy that those 10 years have gone very quickly.”

From Left to Right: John Massey – Actimax, Michael Shaw – TRG, Marc Good – Actimax & Mark Philpot - TRG

Actimax has grown in a decade from the brainchild of Founder John to a successful company in both the UK and Europe with a £7 million turnover. Massey said: “It was an enjoyable evening and a great get together. The staff at Actimax are a close-knit unit and they have all contributed over the past 10 years to a successful period in which we have grown beyond expectations.”

Over the past 10 years Actimax has achieved business awards in Essex, nationally and in Europe with its strong reputation for customer service and reliability.
