

# Actimax hat-trick with Inter-Tel

Actimax has been crowned as the top European reseller with Inter-Tel for the third year in succession. The 2004 Euro award for its work with Inter-Tel follows similar successes in 2002 and 2003.

Yet again Actimax, based at the Yardley Business Park in Luckyn Lane, Basildon, beat rivals to generate the highest European sales figures with Inter-Tel last year. Actimax managing director John Massey, who received the award from Inter-Tel's managing director Chris Harris, said: "To be recognised like this three years in succession

proves the consistency that we have achieved at Actimax."
