Mr John Massey
CEO
Actimax

1st June 2004

Dear John,

My sincere thanks for getting us moved and up and running over the last 4 days.

I was pleased with the communication between Darren and Alex and the tenacity of both Actimax and Luxtech. Aside from some minor hiccups, the move was remarkably successful.

The objective was achieved as we took our first order at 0930hrs today in our new premises!

Though Alex and Darren deserve special recognition for their hard work and perseverance, would you please ensure that all of your people involved in the move get a big pat on the back.
